News on Sunday 20 July 2008

Welcome to our worship service led by Richard Butts. Our preacher will be Pastor Paul Riseley.

When I spoke to my niece's husband, he said she now reminds him of Elijah running in front of Ahab's chariot all the way to Jezreel! That's the one who could scarcely raise her head off the pillow before the Lord stepped in and healed her. Praise His Name!

## HOLIDAYS

Have you any special requests for us to bring to God during this holiday period? Remember the derivation of the word is 'holy days'. How can we make each day holy? Thanks to May for notifying me of plans for Ladies' Cell during the holiday period. I'm looking forward to hearing from other group leaders so that I can make the news sheet accurate. How about praying for a specific testimony to share when we next meet, to put in the sheet or as a feature on the website. We must get the Good News out.

# News to bring to God in prayer and praise

## THE LORD DELIGHTS IN THE PRAYERS OF THE UPRIGHT.

### Proverbs 15 8

- Praise God for a wonderful day last Saturday for Barry and Gerrie's wedding and for the clear presentation of the gospel. Pray for the seeds sown to be watered and bear fruit. Pray too for Barry and Gerrie to be refreshed and ready to tackle the challenges of married life.
- Pray for the children who are still waiting to receive their Year 6 SAT's results. It causes stress and anxiety.
- Jonathan Rowell has asked us all to pray urgently for him. He longs to be free of his addiction to drugs but is being taunted by evil voices. Pray that He will know complete victory through the POWER OF JESUS.
- Praise God for six out of seven answered prayer requests from Ming and Brenda's last prayer letter. Pray especially for the health of Oisin, their little son. He continues to give cause for concern with gastritis, numerous gastrointestinal complaints and poor appetite.
- Join dear Betty Tranah as she praises God for freedom from pain!! She writes: CALL UPON ME AND I WILL ANSWER YOU. For 10 weeks I had a very painful hip and back, diagnosed as sciatica. The prescribed pills brought no relief. When further pills were suggested, I decided to reject them and just massage with Deep Heat. Many of you prayed for me and after only 10 days, I was able to walk down the road with ease. Now I have no pain! NOTHING IS IMPOSSIBLE WITH GOD.
- Put a smile on Chanrika's face. She is 13 years old and lives in the Gorakhpur nurseries in NE India. Whyteleaf church has had prayerful interest in this amazing work for many years and in the latest prayer letter we were asked to pray for Chandrika, as she is very unhappy. She has done badly at school so please pray that she will be accepted at an alternative school.
- Sue Watson is leading a team of 10 to Romania. Pray for reasonable temperatures, last year it was 40 degrees!
- Last Sunday we couldn't view the Release International dvd as the church TV has failed. Does anyone have one to take its place?
- 

May I encourage you again to use the Members and Friends Prayer Diary that Ron Houston provides for us. It is a great way of praying systematically for one another. No one can do without prayer support. Don't forget to thank God for His answers and share them with us.
