## News on Sunday 27 July 2008

Welcome to our worship service led by Joan Hywel-Davies. Our preacher will be Pastor Paul Riseley.

Will you? I will...! and to prove it I've written my name! They look happy enough about it don't they? Praise God for a Christian marriage based on the eternal love of God. Barry and Gerrie returned from their hot honeymoon in Malta on Monday last and are enjoying the cool breezes of Surrey!

### **Deuteronomy diary**

Be assured.....hold fast!

Whatever the giants you are facing, know that God goes before you to destroy the enemy and enable you to live in the Promised Land.

When you plant words spoken by God, you're sowing energy, life and hope into your spirit. His word is like a vaccination; it strips Satan of his power to infect you with fear and unbelief. Psalm 37 31 says: 'the law of God is in his heart, his feet do not slip.'

# News to bring to God in prayer and praise

## THE LORD DELIGHTS IN THE PRAYERS OF THE UPRIGHT.

### Proverbs 15 8

- That we may pattern our praying more on how Moses prayed, reminding God of his timeless promises and his great character.
- Praise God for the safe arrival of the Hoppe family and for the opportunity to share with them and grow in grace together.
- Pray for the bishops meeting in their 'once in ten years' Lambeth Conference. May they hear from you, Lord.
- Len Hutt is home again after another spell in hospital. Pray for him, he really needs a place with some suitable care and supervision.
- The holidays! May they bring true refreshment and renewed vigour in our service of the Master. Pray for safety in all our journeying and sojourns and for those who remain in Whyteleafe.
- Boomerang start on Monday 28 July. At the time of writing we are short of a leader to take games with the 10 and 11year olds. Any offers?!
- Lots of events take place through the holiday weeks to introduce children and young people to Jesus as Saviour and Lord. May they be really successful in every way.
- Joan Hadlow is at last able to put her foot to the ground and has even started to drive again. Help her to be wise, Lord!
- Don't forget to lift Oisin Au to the Lord in prayer. He is Alice Au's little grandson in Cambodia. He needs God's healing for his gastritis and related problems.
- Two charming young ladies in our fellowship are seeking work during the summer before returning to university. Please get in touch if you know of any openings.
- Lucy in Kakamega has been refused a visa to travel to visit us in august. A new application is being submitted. May the Lord have His way.
- Eric Butts (Richard's Dad) is going into hospital to have his foot thoroughly cleaned and treated. Let's remember him as he finds hospital stays very bewildering.

I lift my eyes to you Oh God enthroned in Heaven. We look to the Lord for His mercy, just as servants keep their eyes on their master, as a slave girl watches her mistress for the slightest signal.

Psalm 123 1-2
